CAN YOU HELP? (For Defence families only)

The success of our community centre is reliant upon on the wonderful people who volunteer on our Committee. The committee meets once a month for around an hour to make decisions on how and what programs/events are run. Joining the committee is a great way to meet new people, make new friends and get involved in the community. You don't need any specific skills or experience - you just need to be willing to give it a go! We are always looking for new people to bring fresh ideas and energy into the committee.

☐ Yes, I am interested in learning more about joining the Committee
